

Eat Well and Support Friends For Life

Friends For Life has partnered with a Memphis business that provides fabulous gourmet food delivered to your home via Federal Express – another Memphis business. Local companies coming together for the good of the community... great food for you...Friends for Life benefiting – this is truly a win, win!

You win – Order delicious gourmet food and have it conveniently delivered to your door.

We win – Approx. 20% of the product value is sent to Friends For Life.

Yes, can you believe it? By doing something that you do three times a day, you can help Friends For Life achieve goals of helping more people. Please use a portion of your allocated food budget to order product from our website below. You achieve a satisfied pallet, and we achieve the potential for a higher level of service to a community in need.

It is that simple. In fact, once you taste the quality of the food, we are sure you'll want to set your order for "autoship" – a repeat order to arrive each month...and products on autoship can be changed at any time. Your order can be placed 24/7 from a computer using the link below, and all orders placed by midnight Sunday are shipped the following Tuesday.

THIS IS A WAY FOR EACH OF US TO WIN FOR FRIENDS FOR LIFE.
